SUPERVISORS IN REGULAR SESSION

New Organization of Board and Appointment of Committees by Chairman Hickey

The Board of Supervisors met in regular session Monday, January 8, at 10 o'clock a. m., there being present Jos. M. Francis, presiding; Jas. T. Casey, Wm. H. Brown, John MacBain and C. V Thompson. The minutes of the meeting of January 2nd were read and approved.

The following claims against John McReynolds, contractor on the Halfmoon Bay to Crystal Springs road were presented, read and ordered filed:

Baker & Hamilton	$117.15
Joseph Rue	82.60
D. C. Brown	68.75
Francis Meat Market	13.35
John Jardine	185.30
Willet &Burr	175.00
Meese & Galtfield Co.	212.60
George J. Isadore	154.85
Morris K. Davis	300.00

The report of County Auditor J. J. Shields showing the aggregate amount of allowance that can be made against the several funds of the county for the month of January was received and ordered filed.

The report of Miss Anne Bell Bailey showing expenditures for the month of December, 1916, amounting to $240.57 was received and ordered filed.

The report of J. R. Eubanks, superintendent of the County Farm and Hospital showing he had taken care of 65 inmates during the month of November, 1916, of which number ten were discharged and three died.

A communication was received from the Lomita Park Improvement Club advising the board of the former's action in endorsing Carl H. Lee of that place for the position of inspector of the proposed improvement work to be done in Lomita Park. The communication was ordered filed.

A report from the Tourists' Association of Central California showing the amount of literature that had been circulated last year, was received and ordered filed.

A communication was received from the United States Civil Service Commission asking for certain information pertaining to M. F. Brown of San Mateo, county traffic officer, who had recently taken an examination before the commission. The communication was referred to the county clerk for him to fill out properly and report it back to the board.

Alex. Bonzagi of La Honda presented an application for a permit to conduct dancing in connection with his place of business. The application was given its first reading and will be given a hearing on Jan. 15.

Supervisor Thompson addressed a communication to the board calling the attention of the members to the slow progress Lou G. Hare, contractor, is making in the construction of the two coast roads, one from Pescadero to San Gregorio and the other from Pescadero to the Santa Cruz county line. He said that the roads had been left in a very poor condition and full of holes, and he asked the board to take some action that would compel Hare to proceed more satisfactorily with the work.

After discussion it was decided on motion of Thompson seconded by MacBain not to allow Hare any more money on his payments until he had made a better showing on both the roads.

J. J. Foppiano of Millbrae and J. Mori of Rockaway Beach having presented applications in the proper form for dance permits were granted the same for a period of three months on motion of MacBan seconded by Casey, all the members voting yes except Supervisor Brown.

J. J. Roza addressed a communication to the board in which he filed a protest against the payment of a claim of the Gignac Secret Service Bureau amounting to $738.70 for detective services performed in connection with the recent "blind pig" and saloon investigations carried on throughout the county by District Attorney Swart. The communication was ordered filed.

On motion of MacBain and Casey a claim of the Western Motor Drayage Co. amounting to $81.36 being for hauling oil shipped by the Pinal-Dome Refining Co. for road work on the La Honda grade was ordered rejected.

Superintendent of Schools Roy W. Cloud addressed the board in the matter of a petition he had received and which was signed by J. A. Fatjo and others asking for the formation of a new school district at Alpine to be known as the Rolph District. The proposed district was to include all of the old Alpine district and about 300 acres of the La Honda district.

Supervisor MacBain objected to cutting up the La Honda district for the new school and on his motion seconded by Thompson the petition was rejected and returned to Supervisors petitioners draw up a new one in the intendent Cloud for him to have the proper form so as to exclude the La Honda portion.

The usual claims for the month of December were ordered allowed on motion of Brown seconded by Thompson.

A claim of Bancroft-Whitney and Company in the sum of $13 for books furnished the county clerk and district attorney's office in 1914 was rejected on motion of Brown seconded by Thompson, it having been shown that the books were not ordered by either of the above officials.

Supervisor MacBain made a report on the visit of the committee of Supervisors Thompson, Brown and himself and Surveyor James V. Neuman to Santa Cruz last Thursday where they met the Santa Cruz board of supervisors in connection with the completion of the Big Basin road from Pescadero to Santa Cruz. MacBain stated that the Santa Cruz supervisors had agreed to expend $5000 to complete the road. With this assurance Supervisor MacBain said that the committee from this county had decided to recommend an appropriation of $10,000. The committee had instructed Surveyor Neuman to proceed to Sacramento and there gather from the state engineering department all the data obtainable showing the location and cost of the road.

Supervisor MacBain also reported that he and Supervisor Brown had met with A. C. G. Hahn of Menlo Park in connection with the caterpillar extermination work and arrangements had been made to visit San Jose and inspect a spraying outfit that was being used there in the destruction of the pests.

Supervisor Brown reported several bad turns on the old Halfmoon Bay to San Mateo road and upon motion of MacBain seconded by Thompson he was given permission to make the necessary repairs himself in the shape of constructing fences.

New Committees Named

At 11:58 a. m. the board adjourned sine die as this being the time for the new board to assemble.

In retiring as chairman of the old board, Joseph M. Francis took occasion to thank his fellowmembers, Clerk Joseph H. Nash and all others who had been connected with the board in any way for the courtesy shown him during his four years of service and he said he hoped the same courtesy and assistance would be shown his successor.

Supervisor Jas. T. Casey who relinquished his chair in favor of his successor, Thomas L. Hickey, also thanked the board and the people of the county for the support and cooperation given him during his eight years of office which enabled him to accomplish the work he had.

After Supervisor Hickey had taken his seat, Clerk Nash proceeded to call the new board to order and call the roll, the members answering as follows: Thomas L. Hickey, W. H. Brown, John MacBain, Jos. M. Francis and C. V. Thompson.

Nominations for chairman being in order Supervisor MacBain nominated Dr. C. V. Thompson of Pescadero. The nomination was seconded by Supervisor Brown and Dr. Thompson was elected unanimously.

Upon taking his seat the new chairman thanked his fellowmembers for the honor conferred upon him and expressed the hope that the members would be able to say the same nice things about him as they did about his predecessor, Jos. M. Francis.

Samuel Cerf, a resident of Daly City, asked permission to address the board and in behalf of the friends of Supervisor Hickey from Daly City presented the new member with a handsome gold chain and locket.

Supervisor Hickey accepted the gift in a very feeling manner and expressed the hope that he would be able to carry out the work that was expected of him.

Chairman Thompson announced the appointment of the following committees:

Finance — Supervisors Wm. H. Brown, Jos. M. Francis and John C. V. Thompson, Thomas Hickey.

County Farm and Hospital—Thomas Hickey, Wm. H. Brown and C. V. Thompson.

Supplies—Jos. M. Francis, John MacBain and Thomas Hickey.

The board adjourned at 12:05 p. m. to meet January 15 at 10 a. m. MacBain.

Court House, Jail—John MacBain,

Have a Cheery Kitchen.

One should bear in mind that the kitchen is the engine room of the home, and the comfort and happiness of the family depend upon its running smoothly and well Lack of system, inadequate equipment, inconvenient arrangement of furniture and utensils and the total absence of beauty and cheer are the things that make drudgery of housework. Servants are as susceptible to surroundings as their mistresses, and the little aids to housework, such as cheerful aspect and pretty furnishings, do much to secure a more loyal interest and co-operation. A harmonious environment in a kitchen will go a long way toward making a happy home. — Harriet Sisson Gillespie in Mother's Magazine.

A German scientific journal published in 1897 a story to the effect that a golden eagle shot in that year at Eszeg, Slavonia, was found to have a ring about its neck engraved on which were the arms of a Slavonian family and the date 1646.

In 1793 the Gentleman's Magazine told about a hawk, captured when flying in the vicinity of the Cape of Good Hope and taken by an Indian ship to England, which wore a gold collar inscribed:

"This goodlie hawk doth belong to ais Most Excellent Majesty James, King of England, A. D., 1610."

If this bird really escaped from England in the reign of James 183 years elapsed between its escape and its recapture, and it had flown a distance of 6,500 miles away from its former owner.

Feminine Confidence.

"I shall never scold my husband again for spending so much time at the club."

"Tell me about it."

"Well, last night a burglar got into the house, and my husband knocked him senseless with a poker. I've heard several men speak of him as a poker expert. He has evidently been practicing at the club for just such an emergency."—Judge.

For the Book Borrowers.

What one of us in school years did not write in his arithmetic, geography or speaker:

Steal not this book for fear of shame,
For here you read the owner's name.

Some antiquarian once made the statement that Jean d'Orleans, Comte d'Angouleme, was the first to write a verse threatening any book thief—i. e., borrower, with terrible punishment. Philip Hale writes in the Boston Herald. He wrote this, captured in the Hundred Years' war and a prisoner in England for thirty-three years. The book was Chaucer's "Canterbury Tales." The common stanza among English schoolboys is:

Steal not this book for fear of shame,
For in it is the owner's name,
And when you die the Lord will say,
"Where is that book you stole away?"

But your confirmed borrower of books has no fear of punishment in this world or the next.—Exchange.

CITY OFFICIAL PAPER

LEGISLATURE HAS LOTS TO DO

The opening of the legislature this week with the administration forces of Governor Johnson is such complete control that the "anti" crowd was cut out of patronage is fair indication that the session will creep along without marked political scraps There are a few others on tap, however, which will make the session a merry one—at least the last half after the February recess. Labor and capital will go to the mat, and the liquor question promises to be a bone of contention when the "drys" try to extend the vtoing unit under the Wylie law to county-wide instead of incorporated towns and supervisoral districts.

The "wets" have no known program up their sleeves, except to fight the enlargement of the local option unit. It is understood that they are content to leave matters as they are, thus permitting local communities to regulate and eradicate as best suits local conditions. Quite a number of California towns have already started to regulate on their own accord.

Report about the legislative halls is to the effect that instead of trying to make the state offices non-partisan, a movement will be launched to strengthen the party line in state politics and thereby better control California in national politics, which appeared to have gotten beyond control last November.

The absence of any program or policies in Governor Johnson's message is indicative that he is going to turn state affairs over to his successor, W. D. Stephens, to do as the latter pleases. Stephens is going to be watched with a critical eye, because upon his actions will be determined the chances of support from various factions when he goes before the voters for the job next year. Johnson practically states in his message that he will turn the gubernatorial chair over to Stephens before the second session convenes, the first week in March.

The labor forces are anticipating a fight to the bitter end and look for stronger opposition than ever before. The strength will be tested in the fight over the anti-injunction bill which has been buffetted around at every session for years gone by.

Both houses will endeavor to have committees pay some attention at least to bills at this session so that the work will not all come in a bunch after the constitutional recess, although the theory of the bifurcated session is to permit the public to digest the bills, discuss them with their representatives and instruct them how to vote later. This plan does not work as pictured by its sponsor, Senator A. Caminetti, now United States Immigration Commissioner.

IN REFERENCE TO SUPERVISORS

Supervisor Joseph M. Francis, who retired on Monday as chairman of the board of supervisors, made a brilliant record for himself as chairman and may retire with the full consciousness that he performed the duties of the position with credit to himself and the people of the entire county. He ruled impartially and with fairness to all having business with the board. His successor, D. C. V. Thompson, is a young man of ability and will make a splendid chairman. He is affable, courteous and considerate and will give all a fair hearing. This is the first time in thirty-four years that the fifth township has been honored with the chairmanship. John Garrison was chosen chairman of the board in 1883 for a short time. The other members of the board at that time were Green of the first township, Lawrence of the second, Monohan of the third and Higgins of the fourth. Dr. Thompson may well feel proud in thus having his township honored after a lapse of so many years.

NEW ASSISTANT DISTRICT ATTORNEY HAS ARRIVED

That majestic bird, the stork, brought a bouncing baby boy to Mr. and Mrs. Franklin Swart on Sunday evening last. The boy was born in Mount Zion hospital. For several days after the popular district attorney was in the air but he has since come to earth and is receiving the congratulations of his many friends over the arrival of the "First Born". The boy has been named Franklin Jr. and he is destined to become a disciple of Blackstone.

DAINTY MISS MULLER WEDS

The marriage of Miss Elsie B. Muller, young daughter of Mr. and Mrs. Carl Muller of this city, and Willar E. Coburn of San Diego, is the culmination of a romance began in the southern city some years ago when the pretty bride spent the summer there. Mr. Coburn is engaged in the foundry business with his father at San Diego. He is an exemplary young man and worthy of the young woman he has chosen for a life partner. Mr. and Mrs. Coburn are to reside in the south where Mr. Coburn has prepared an attractive home.

CLARENCE CHOATE IN HOSPITAL

Clarence Choate, chief salesman for Hull Brothers Hardware Company, was stricken with severe pains in his stomach Thursday afternoon and was at once rushed from the store to a hospital in Palo Alto where he was operated upon immediately. The operation proved highly successful and was performed none too soon. A few hours delay might have resulted very seriously for the patient. Reports from the hospital yesterday indicated that Mr. Choate will recover and is resting nicely.

DEATH OF PETER SUVERKRUP

Peter Suverkrup, a native of Germany aged 84 years and a former resident of this county but for the past eight years living at Palo Alto, passed away at the College Town early yesterday morning after an illness of several months. He has no relatives living, his wife predeceased him several years ago. Mr. Suverkrup amassed a small fortune in farming and dealing in real estate. The funeral will take place tomorrow afternoon and interment will be in Alta Mesa cemetery.

AUDITOR ORDERED TO PAY $5 CLAIM FOR BADGES

Judge Buck on Wednesday issued a writ of mandate to compel County Auditor J. J. Shields to audit a claim of $5 presented against the county treasury by Joseph A. Roza of Redwood City for two traffic officers' badges purchased for Roza and Traffic Officer Steele of the fifth township. In taking the case to the superior court Roza alleged that District Attorney Swart, as head of the traffic squad, had refused to approve the claim. Roza formerly was employed by the county as a special officer.

MEN HIGHEST PAID DEMAND MORE WAGES

PUBLIC MUST PAY THE BILL.

Proposed Increase In Wages Will Necessarily Result In Advance In Rates to Be Borne Not by Rich Capitalists, but by 100,000,000 People of United States.

The employees in railway train service, now taking a strike vote, are not only the highest paid workingmen in America, but they have profited disproportionately by recent advances in wages, declares Samuel O. Dunn, editor of the Railway Age Gazette, in the July issue of the North American Review.

As a reply to the question whether the railways should grant the $100,000,000 increase demanded, Mr. Dunn gives the following table showing the average yearly wages of engineers, firemen, conductors and other trainmen and the average of all these classes combined:

	1914.	1906-1914. Per cent increase.	1898-1914. Per cent increase
Engineers	$1,771.81	42.2	51.6
Firemen	1,037.47	46.8	60.2
Conductors	1,533.62	42.1	56.6
Other trainmen	1,023.21	48.8	73.0
All train service employees	1,253.37	44.2	57.9

In another table he gives the average yearly wages of the remaining 82 per cent of railway employees and also separately those of train dispatchers and telegraph operators, station agents and section foremen, showing the marked contrast between their earnings and those of the 18 per cent now seeking a further advance:

	1914.	1906-1914. Per cent increase.	1898-1914. Per cent increase
All other employees	$686.68	34.6	40.3
Operators and dispatchers	904.42	31.9	42.6
Station agents	821.89	27.3	42.6
Section foremen	767.96	32.0	37.1

"The increase in the agerage wage of all train service employees," Mr. Dunn says, "in the eight years 1906-14 was 44 per cent. and in sixteen years 58 per cent. The increase in the average wage of the other 82 per cent. of employees in the same periods were 35 per cent. and 40 per cent. The average wage of the 309,000 train service employees in 1914 was $1,253; of the other 1,381,000 employees $687. The contrast between the wages of the train service employees and those of train dispatchers and telegraph operators, station agents and section foremen is especially striking. The working day of dispatchers and operators is limited to nine hours by federal law, but that of station agents and section foremen is ten hours, and they must hold themselves in readiness for duty at any time.

"The demands of the train service employees cannot be fairly granted unless proportionate concessions are also made to other railway employees, but the railways cannot grant the demands of the train service employees, much less a 25 per cent. advance in wages to all their employees, which would amount to $320,000,000 a year with their present freight and passenger rates.

"Most people are disposed to regard sympathetically all movements of workingmen to improve their condition on the assumption that any advantage labor may gain will be secured at the expense of capital. No such assumption can be made in this instance. The proposed increase in wages would necessarily result in advances in rates and most or all of it would, therefore be borne, not by rich capitalists, but by the 100,000,000 people of the United States. Probably 80 per cent. of all the people of this country have smaller incomes than the men in railway train service, and it is impossible to find, under present conditions, any justification for a large advance in the income of this relatively well paid class mainly at the expense of that much larger part of the public which is nowhere near as well off."

CRISIS OVER RAILWAY WAGES.

The conference committee of managers showed the good faith of the managements in taking this position by offering to submit both the proposals of the employees and the proposals of the railways to arbitration either by the interstate commerce commission or under the Newlands act. * * * There must be either (1) a backdown on the part of the train service employees or (2) arbitration by some impartial tribunal or (3) a strike. There is no other way out.—Railway Age-Gazette.

The public cannot afford a railroad strike. It will be more disastrous to America than ten wars with Mexico. — Chicago Tribune.

ORDER TO SHOW CAUSE WHY AN ORDER SHOULD NOT BE GRANTED TO SELL REAL-ESTATE

In the Superior Court of the State of California, in and for the County of San Mateo.

In the matter of the estate of Richard McMale, deceased.—No. 1904.

It appearing to the satisfaction of the court from the verified petition of Catherine McMale, administratrix of the estate of Richard McMale, deceased, on file herein, and to which verified petition reference is hereby made, that it is necessary to sell the whole of the estate of said deceased;

It is ordered by the court, that all persons interested in the estate of said Richard McMale, deceased, appear before the Superior Court of the County of San Mateo, State of California, at the Court Room thereof, in the Town of Redwood City, in said County of San Mateo, State of California, on the 18th day of January, 1917, at ten o'clock in the forenoon of said day, then and there to show cause, if any they have, why an order, as prayed for in the petition, should not be granted to the said administratrix to sell the whole of the real-estate of said deceased, at either public or private sale, for the purposes mentioned in the petition, as she shall judge to be for the best interests of said estate, and of the parties interested therein;

It is further ordered, that a copy of this order be published at least once a week for four (4) successive weeks, next preceding said day of hearing in the "Times-Gazette", a weekly newspaper of general circulation printed and published in the Town of Redwood City, County of San Mateo, in the State of California.

Dated this 13th day of December, 1916.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Many of the county officers went to South San Farncisco yesterday to attend the funeral of Mrs. Greenleaf, mother-in-law of W. J. Martin, well-known real estate man and promoter.

At communion service of the Congregational church last Sunday six new members were admitted to the church making a total membership of 260. The church has made rapid strides in the past two years.

At a recent meeting of Mount Carmel Aid Society it was decided to give a card party and dance on St. Patrick's night in Foresters hall. The committee appointed to arrange for the affair is: Mrs. J. Winter, Mrs. J. Hahir, Mrs. A. Hess and Mrs. D. P. Flynn.

Mr. and Mrs. C. E. Cumberson, who have been spending the past two months in the east, principally between Washington and New York, are now in Florida. After spending a couple of weeks at The Breakers, Palm Beach, they will journey on to Miami and Cuba, returning to California about the last of January.

The steamer Belvedere, F. Campbell, captain, will arrive every morning at the Peninsula Dock and Warehouse Company's wharf with freight for all the peninsula towns. It will leave pier 22, San Francisco, the evening before. Mr. Campbell promises his patrons a quick and efficient service.

C. M. Doxsee, manager of the Geo. H. Rice Abstract Company, gave a dinner at his beautiful home in Wellesley Park last evening to the employes of the concern in appreciation of their efficient services performed during the past year. After dinner the host conveyed his guests to the Sequoia theatre where they enjoyed "Oliver Twist" for over an hour.

Miss Maud Moore, the pretty and accomplished young daughter of Mr. and Mrs. David Moore of this city, was united in marriage at San Jose on Wednesday to Floyd Witherly. The bride graduated with the class of 1915 of the high school and is an accomplished and gifted young woman. Mr. Witherly is employed by the Pacific Gas and Electric Company. He is a wotrhy young man with a host of friends in this city.

Rev. Darwell, former rector of St Peter's Episcopal church of this city preached his farewell sermon at Pacific Grove where he held a pastorate for several years. He resigned his position to accept a call from Michigan to be near the University of Michigan at Ann Arbor which his son Leslie will attend and take a full collegiate course. The young man attended the high school when the family resided here.

M. L. Benson, formerly principa of the grammar school here, has been appointed supervising principa of the Antioch grammar school. For several years he had been the principal of the school at Los Gatos, but recently the grammar and high schools of that place were placed under supervision of the principal of the latter and Mr. Benson was forced out. He was here last week calling on friends. He assumed his duties at Antioch last Monday.

The trustees of San Mateo Union High School have chosen Merton F Hughes as manual training teacher in place of Herbert Fisher who returns to Indiana to engage in business with his brother. Mr. Hughes has been teaching at Merced for several years. He was born and raised in Redwood City and attended the high school for a time. He is the youngest son of Mr. and Mrs J. S. Hughes of Santa Cruz. The position carrys an attractive salary.

A Gross has been appointed temporary agent for the Southern Pacific Company at this point. He takes the place of Charles A. Stone who left for his new duties as station agent at Santa Cruz last week. A permanent appointment will not be made for at least two months. The people of Redwood City would be delighted if the company would select Mr. Gross for the place. His obliging and courteous manner and attention to duty has made friends for him in Redwood City who would like to see him rewarded for his genuine merit and fine ability to fill the position.

Senator M. B. Johnson has appointed Gordon Seely, young son of Judge George Seely, his secretary during the session of the legislature. Young Seely departed for Sacramento on Tuesday. He is a bright student in the senior class of the high school. His leisure time is spent in the law office of J. J. Bullock where he does the stenographic work and reads Blackstone between times. Young Seely will secure a fund of knowledge and get experience at the capital that will be of considerable benefit to him in his law studies. It is for this reason that he was permitted to leave high school during the session of the legislature. Mr. Seely had no particular influence to secure the coveted position, it simply came to him on account of his ability. Merit always wins and it won in this instance. Senator Johnson also appointed Harold Stevens of Redwood City a page in the senate. Young Stevens held the position during the term of Senator Flint and is familiar with its duties.

DOINGS ABOUT THE COUNTY OFFICES

DEATH OF MRS. THOS. BURKE

The news yesterday of the death of Mrs. Thomas Burke at San Mateo the evening before caused a severe shock to the many friends of the young woman in Redwood City where she was born and raised and resided with her parents, Mr. and Mrs. John Curran, until she was married to Thomas Burke, well-known businessman of San Mateo, some years ago. Mrs. Burke gave birth to a son about three weeks ago. Heart lesion was the immediate cause of death. Mrs. Burke is survived by her husband, a little boy aged nine years, her infant boy and her parents and several brothers. She was the only daughter and was the idol of her family. Mrs. Burke attended the Notre Dame convent and grammar school at which institutions she made a record as a bright student. She was a clever stenographer and typist. For several years she was chief clerk and stenographer for J. J. Bullock when he was district attorney and held the position until she wedded Mr. Burke. Mr. Bullock always spoke of her as the cleverest stenographer in the county. Mrs. Burke was affable and kind to all having business with that busy office and many there are who will recall the sweet-faced girl who greeted them with a smile when calling on the district attorney on legal business. She was popular with all and many regrets were expressed when it was learned that she had resigned her position in the district attorney's office to take up her residence at San Mateo. Her devoted parents as well as her husband and family have the heart felt sympathy of the community in their sad bereavement. The deceased was aged thirty-seven years. The funeral will take place this morning from the family residence at San Mateo at 9:45 o'clock, thence to St. Matthews Catholic church where solemn requiem mass will take place at 10 o'clock. Interment will be in St. Johns cemetery, San Mateo.

MASONIC LODGE INSTALLATION

Redwood City Lodge No. 168, F. and A. M. held its annual installation of officers, the first public installation since 1910, in Odd Fellows hall last evening. Over two hundred members and their wives witnessed the beautiful ceremony. Past Master W. H. Kelso acted as installing officer, assisted by Inspector Charles Landscheit who was the master of ceremony. At the conclusion of the impressive work Mr. Kelso was presented with a costly jewel. He responded with a few well-chosen and appropriate remarks. The officers installed for the term are as follows: master, Otis M. Carrington; senior warden, Ben Zimmerman; junior warden, Otto Offerman; treasurer, L. P. Behrens; secretary, W. A. Crowell; chaplain, Bernard Myers; marshal, Roderick Hydenfeldt; senior deacon, Eugene Sampson; junior deacon, Charles McCracken; senior stewart, Percy Long; junior stewart, Leslie Sampson; tyler, Fred. Glennan.

AWARDED DAMAGES ON INJURY

Mary Hansen recovered a judgment of $500 damages for personal injuries against J. M. Chrisman of Burlingame, owner of the jitney in which Mrs. Hansen was a passenger at the time of receiving her injuries, according to a decision rendered by Judge Buck last Saturday. The case was tried before Judge Buck without a jury last Friday morning, John D. Willard appearing as attorney for Mrs. Hansen and James W. Scott of Myrick and Deering representing the defendant. The testimony in the case showed that the plaintiff boarded the defendant's jitney in Burlingame to be carried down into San Mateo. When the car passing down San Mateo Drive reached Popular avenue according to testimony of Mrs. Hansen it swerved toward the right hand curb and then suddenly swerved out into the middle of the street and diagonally back again into the right hand curb, there overturning and throwing the plaintiff out and injuring her right shoulder and breaking one of ner ribs. Dr. Baker also testified as to her injuries. The plaintiff further testified that the jitney was travelling pretty fast at the time of the occurrence and that the driver seemed to be pretty nervous and that the driver did not have his hands on the wheel at the time the jitney struck the curb. The driver just before the occurrence was busily talking to another passenger sitting in the front seat with him, according to the plaintiff. Witnesses for the defendant however introduced a bad dog into the situation. Mr. Taylor, who was the other passenger, said that a dog ran under the right wheel of the car and that the driver in trying to right the car lost control of it and it ran into the curb. He testified that the car was travelling about twelve or fifteen miles an hour. Mr. Keegan testified that he was driving in a car about one hundred feet ahead of the jitney and turned around upon hearing a dog howl and that the jitney was beginning to tip over near by fence into his own yard. Mr. Lyons, who was coming down the street facing the approaching jitney, saw the driver turn out into the middle of the street as if trying to avert something, but saw no dog around there. The defendant testified that the driver of the jitney, one Ray Schreimer, was back east the last he heard from him.

After the taking of testimony, the opposing lawyers argued the case, Mr. Willard for the plaintiff contending that the offending jitney must have hunted down the dog instead of the dog running into the front right wheel and that in any event, it was negligence for a common carrier of passengers to collide with a dog in the open, unobstructed street in broad daylight for the reason that collision could not have occurred had the driver exercised the highest degree of care and skill as required by law of a common carrier, to avoid collision with dogs as dogs are one of the expected hazards of the streets against which a common carrier by automobile must watchfully guard. Mr. Scott for the defendant, on the other hand, contended that the occurrence was an unavoidable accident and that the driver could not have guarded against the contingency of a dog getting under his wheels.

ANOTHER AWARD OF DAMAGES

Mrs. James Day, whose damage case against the Peninsula Rapid Transit for injuries sustained by her in December 1915 when the big bus tipped over while she was a passenger was tried before Judge Buck without a jury last Friday afternoon, and judgment has just been ordered by the decision of the court in her favor for $1000. John D. Willard represented Mrs. Day and the defendant was represented by Myrick and Deering.

The evidence disclosed that the state highway was wet it being a very foggy morning and that the driver when the bus began to skid to the right turned off the macadam portion of the highway to the left thinking the skidding would be stopped by the unpaved portion of the road, instead of this effect, no sooner had the front wheels passed off the macadam than the big bus swung rapidly to the right an dtipped over with the bus facing Redwood City instead of Menlo Park, its destination. Mrs. Day was considerably injured by the tip-over and was confined to her bed for several weeks.

Her daughter Jessie was with her at the time was also injured by the occurrence according to the allegations of her complaint in the action now pending against the Transit Company.

IN MEMORY HENRY W. BROWN

Last Monday after the organization of the assembly at Sacramento suitable resolutions were adopted by that body in memory of the late Assemblyman, Henry Ward Brown, who represented San Mateo county in the lower house of the legislature for fifteen years. Assemblyman Eksward, his successor, presented the resolutions and they were unanimously adopted. No man in San Mateo county was more respected than Mr. Brown. No man was held in higher esteem than he, and few in the state had greater ability as a legislator. His memory will always be cherished by the people of San Mateo county who loved him for his honesty, frankness and independence. The following resolutions set forth the true character of the departed legislator:

Whereas, The Supreme Ruler of the Universe has taken from our midst Honorable Henry Ward Brown, a former member of the Assembly of the State of California, and

Whereas, In his death the legislature has sustained the loss of one of its most useful and faithful members and the State of California a most honored and patriotic citizen; therefore be it

Resolved, That it is right, fitting, and proper at this time that the members of the Assembly of the forty-second session should give expression to a loss so great to the State of California.

Honorable Henry Ward Brown was a member of the thirty-third, thirty-fourth, thirty-fifth, thirty-ninth, fortieth and forty-first sessions of the legislature of this State. He was one of the oldest members of the Assembly and amongst its most untiring workers. To those who knew him best and closest Henry Ward Brown was a man and a gentleman in every sense of the words. He was an able lawyer and representative, a good husband and a loving patriot. He did his duty to the fullest. He always had the courage of his convictions and was fearless in the expression of his views on every subject. No matter what the situation might be that would give him public honor and public office, he was ever ready to act in the interests of honesty, truth and justice. His sympathies, his benevolence, his humaneness, his love of what was just, right and true were not restricted to his activities as a member of the legislature.

Henry Ward Brown was a friend, a brother and a citizen of the larger fraternity, the larger organization, the larger state—the human family. He loved man, admired manliness, and his sympathy went forth to every man everywhere irrespective of race, creed or nationality, whose opportunities were wrongfully barred, whose rights were wickedly denied and whose liberties were despotically suppressed. His whole life was weighed down by the "burden of truth." He possessed rare and admirable qualities and a profound knowledge of the law.

Firm, yet courteous, he endeared himself to his friends and enemies alike and won their admiration and respect for his talents and integrity.

This State has lost a faithful statesman whose deeds and words of wisdom will live for all time to come. We realize that words are inadequate to express the deep feeling of sadness and regret for the death of one of the state's best men; and be it further

Resolved, That a copy of those resolutions be engrossed by the Chief Clerk of the Assembly and that the same be conveyed to the widow of the late Henry Ward Brown; and be it further

Resolved, That when the Assembly adjourns on this day it does so out of respect to the memory of the late Honprable Henry Ward Brown.

Resolution read, and upon rising vote was unanimously adopted.

NEW DIVORCE SUIT ON WAY

The widely talked of and much discussed divorce suit of Mayzellio A. T. McCarthy against her husband, Dr. Charles F. McCarthy, was commenced in the superior court yesterday before Judge John L. Hudner of Hollister sitting for Judge Buck. Nothing of a sensational character was developed at the trial but before the case is finally submitted to the court it is believed some testimony of a salacious nature will be presented. Yesterday Mrs. McCarthy was on the stand corroborating the allegations of the complaint. She told of the extreme cruelty and desertion of her husband in a most dramatic manner. She recited instances of his cruelty giving dates and describing the circumstances to the minutest detail. In the afternoon she was subjected to a most grilling cross-examination by Attorney Walter H. Linforth. She was still on the stand as the court adjourned. The suit was commenced by Mrs. McCarthy two years since and has been bitterly fought by her husband. Dr. McCarthy is one of the best-known eye and ear specialists in the state. He owns a fine home in San Mateo and other valuable real estate. The proper division of the property is a bone of contention between the parties. If the property right could be settled it is believed the divorce poeecrdings could be easily arranged. Mrs. McCarthy is represented by Samuel M. Shortridge and James T. O'Keefe while Dr. McCarthy's interests are looked after by Walter H. Linforth and Archer Kincaid. The case went over last evening until Monday when it is believed the property rights will be settled satisfactorily.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Mervin McEvoy, a fireman of the coast division of the Southern Pacific Company, has been home for four weeks suffering from a severe illness. He has been confined to his bed but was able to get up for a while yesterday.

Maria Duff of San Francisco has deeded a strip of land with a frontage of fifty feet on Glenwood avenue to Walter H. Linforth. The property has been in litigation for many years. Mr. Linforth owned all the property around the lot and for years has sought to purchase it but the owner wanted a prohibitive price. He finally secured it for a fair figure.

A raid on chicken roosts of the town was made by unknown parties on Tuesday evening. Over a hundred were taken and housewives are up in arms and swear vengeance upon the invaders. It is believed that the theft was committed late in the night when all had retired. Professional thieves did the work. An automobile was in waiting and the rounds of all the hen houses was made, the thieves taking all the choice poultry and departed in the direction of Palo Alto. Over $150 was cleared up in the theft.

Mrs. Talbot Walker of Atherton, who is spending the winter in San Francisco, has been chosen queen of the Mardi Gras to take place in the city very soon. Mrs. Walker is a very beautiful woman, queenly in her bearing and manner and charming in her personality. She will make an ideal ruler. Her mother, Mrs. J. W. Keeney, and her sister, Miss Helen Keeney are spending the winter in New York and Philadelphia. They will arrive from the east during the month to be in San Francisco during the reign of Mrs. Walker.

Game Warden Burke of Colma patrolled the bay last Sunday making a thorough search of all launches and small boats looking for any infraction of the game laws by hunters. On the Alameda side of the bay he discovered several Chinese fishing in enclosed waters for shrimps. They had a ton of shrimps and nets valued at $2000. The Celestials were arrested and taken to Alameda. Shrimp fishing is only allowed in certain quarters in the bay. Fishing is not permitted in a certain zone and it was in this territory of the bay that the Chinese were caught.

E. Von Schack, found guilty of conspiracy in the federal court with several others on Wednesday, is a resident of Atherton and has been living in the county for several years. Much sympathy is expressed by all for the family. The case is to be appealed to a higher court.

A marriage license was issued last Tuesday from the county clerk's office at Redwood City to Gilbert H. A. Rech of San Francisco and Mrs. Olive S. Merrill of Atherton. The wedding will not take place until January 17. The pretty bride to be is a daughter-in-law of Mrs. John F. Merrill with whom she resides at her Atherton home since the tragic death of her husband. Mr. Rech is a prominent businessman of San Francisco.

The question of consolidation is debated on all sides in this village and in order to get an expression of opinion on the matter a straw vote was taken yesterday. The result is as follows: For the merging of San Francisco and San Mateo counties, 75; against annexation 50. This is fair indication of how this locality will vote on the question though a campaign of education may change many and may open their eyes to their wrong conception of the question.

On Friday evening, January 26th, Menlo Parlor, N. D. G. W., will give a card party and dance at Duff and Doyle hall. Cards will be played in the small hall and those who do not play can enjoy themselves tripping the light fantastic in the big hall. Don't forget the time, January 26th. Don't forget the place, Duff and Doyle hall and there will be plenty of pretty girls on hand for dances. The committee has secured handsome prizes for cards.

Mrs. A. Gale gave a reception to her numerous friends here, Palo Alto, San Mateo and San Francisco at her pretty home on Glenwood avenue last Tuesday in honor of the anniversary of her birth. Mrs. Gale was happily felicitated by all present and she responded most gracefully. A delightful tea was enjoyed and over the cups many stories of by gone days were told and many occurrences of former days in this locality were related making the occasion one of true enjoyment. Mrs. Gale is a native of the county and has been a resident of Menlo Park for a long period. She is popular with all and highly esteemed. Mrs. Gale is noted for her earnest church work.

The members of Menlo Parlor, No. 211, N. D. G. W., journeyed to Redwood City last night to be installed with Bonita Parlor. Mary Read of Bonita Parlor presided as installing officer. The following are the new officers of Menlo Parlor: past president, Catherine Derry; president, Mollie Nash; first vice president, Amelia Morey; second vice president, Annie Doyle; third vice president, Helen Johanson; recording secretary Frances Maloney; financial secretary, Angila Broggi; treasurer, Catherine Doyle; marshal, Eligabeth Casey.

PESCADERO JOTTINGS

Mr. and Mrs. DRease went to San Jose Sunday and remained over New Years with relatives there.

The dance last Saturday was a social and financial success.

Contractor Lou Hare came over Tuesday to open the town bridge. This will be a great advantage in making the trip to San Gregorio as it will save about four miles which has had to be made while the bridge was being repaired.

Miss Ruth Coburn and the Misses Julia and Emma Cushing returned to their school work in San Francisco Tuesday.

Mr. and Mrs. Eaton are enjoying a short vacation in San Diego.

Manuel Goularte who recently bought the Koster property has had the place thoroughly overhauled and painted. He has also erected a new tank house and windmill and expects to move into town in a short time.

George Liddicoat, our popular butcher, was a city visitor this week.

Senator Johnson and Assemblyman Eksward are going to make a strenuous fight to see that the Henry Ward Brown road into the Big Basin is completed. This will be a great asset to our section of the county.

Mr. and Mrs. H. L. Good enjoyed the holidays visiting with their daughter, Mrs. Woodman in Oakland.

Alice Woodhams has returned to Redwood City to resume her studies in high school there after spending her winter vacation of two weeks with her parents, Mr. and Mrs. O. Woodhams here.

NEW LAND PURCHASES

Jesse Rapley of this city has purchased 240 acres of what is known as railroad lands adjoining his mountain ranch near La Honda. The property is across from the headwaters of Woodruff creek. It is well wooded, good camping grounds and splendidly located for a mountain home. The price paid for the property is not known but it is said a fancy figure was given for this character of realty. Mr. Rapley is owner of three ranches near La Honda. The University Realty Company negotiated the sale. K. D. Winship was the owner of the land. He owns most of the railroad land in that locality. Rumor has it that the University Realty Company has sold the Thomas O'Brine place of 48 acres in the Canyada district to a wealthy San Francisco resident who is to erect a palatial home on the property which is not far from the Bourne estate.

MOSQUITO FIGHTERS ORGANIZE

The trustees of Pulgas Mosquito Abatement district held an important meeting on Wednesday at their headquarters in the courthouse. The resignation of Professor Hinmann as secretary of the board was accepted. Mr. Barry of Belmont was appointed a member of the board in Mr. Hinmann's place but the selection of a secretary went over until the next meeting of the trustees. All the routine business was cleared up. A report from those working on the territory where the mosquitos breed was read and approved. The trustees will continue the campaign of eradication. The caterpillar nuisance was also taken up and at the next meeting something tangible will be done towards beginning a campaign against the troublesome insect.

PLAN TO RESUME RAILWAY INQUIRY AFTER MARCH 4TH

Postponement Forced by Press of Congressional Business.

COUNTRY DEMANDS ACTION

Shippers, Investors and Representatives of All Branches of Business Demand Unification of System of Railway Regulation—Roads Ask Fewer Masters.

Washington, Dec. 18.—The Congressional Joint Committee on Interstate Commerce, which has been conducting the inquiry into government regulation and control of transportation, last week decided to suspend its hearings on the subject and adjourned, subject to the call of the chairman, because of the pressure of other work before Congress. According to the resolution creating the committee, it is required to submit a report by January 8th next. It is understood that before that time the committee will ask for an extension of time and that the hearings will be resumed at a later date, when some of those who already have appeared before the committee will be questioned further and a great many others will be heard. It is probable, however, that the hearings will not be resumed until after adjournment of Congress on March 4th. In addition to regular routine business the commerce committees of the two houses are charged with the important duty of preparing and presenting the legislation asked for by President Wilson to make impossible a railroad strike without previous investigation. This will leave little or no time for the consideration of the general questions of railway regulation.

Country Wants Something Done.

Members of Congress and others who are interested in the inquiry undertaken by the Newlands Committee insist that there is no intention of abandoning it.

It seems doubtful, indeed, if the country would permit the matter to be dropped if there were evidence of a desire on the part of Congress to do so. The nation-wide evidences of interest evoked by the initiation of the Newlands inquiry show that the people of the country—shippers, consumers and investors, as well as railway men themselves—are alive to the fact that the railway situation is highly unsatisfactory and that steps must be taken without unnecessary delay to make it possible for the railroads to meet the growing needs of the nation.

From reports received here it seems as though almost every commercial organization and business interest in the country were engaged in studying the railroad question. The Chamber of Commerce of the United States has been conducting an elaborate inquiry into various phases of the subject for many months past. Many local and state commercial bodies in every part of the country have committees engaged in study of the problem and have indicated a desire to come here and present their views. National organizations of manufacturers, lumbermen, coal operators, wholesale and retail dealers, have expressed through resolutions their desire for the unification of the system of railway regulation. The National Industrial Traffic League, speaking from the viewpoint of shippers using the railways, has indorsed exclusive federal regulation providing it is accomplished in such a way as to give full protection and prompt adjustment in matters relating to transportation within the states.

Many Interests Studying Problem.

All these organizations represent primarily the shippers of the country, but they are not the only ones who are taking a hand in the discussion. The investors of the nation, through their own associations and through committees representing the savings banks and other financial organizations, are preparing to show the necessity of improving railroad credit and protecting the rights of those whose money is invested in railway securities. Finally the railroads themselves, being vitally concerned in the improvement of existing conditions, are planning to submit their views through their executives, operating officials and traffic experts and to assert their willingness to accept far reaching federal regulation along lines that will enable them to attract capital and to provide the facilities needed for the prompt and efficient handling of the country's transportation business.

Main Trouble Is Too Many Masters.

Not all of these interests are in accord as to the remedies that should be adopted. There seems to be a general agreement, however, that many of the difficulties which confront the railroads and which make it impossible for them to meet the requirements of the nation's commerce promptly and satisfactorily arise from the haphazard and often conflicting measures of regulation that have been adopted from time to time by the federal government and the forty-eight states and that what is needed is a well ordered, systematic scheme of federal regulation that shall cover the whole country and make it possible for the railroads to provide the extensions and improved facilities so badly needed, while at the same time protecting fully the public interests.

RED CROSS SEAL FIGURES.

325,000,000 Holiday Stickers Already Distributed in United States.

Few people have any conception of the magnitude of the Red Cross Christmas Seal Campaign. Here are a few figures that will show what a gigantic movement this is. Already 325,000,000 Seals have been printed and practically that entire number distributed to agents in every state and territory of the Union from Alaska to the Canal Zone, from Porto Rico to Hawaii, and even in the far-off Philippines. Advertising circulars, posters, cards, etc., to the number of several millions, have also been distributed. Not less than 1,000,000 personal letters asking people to buy Seals have been sent out. It is estimated that the army of workers, nearly all of whom are volunteers, engaged in selling the Seals numbers well over 500,000. The advertising and publicity devoted to the campaign amounts to several hundred thousand dollars. Every effort is being put forth to sell 100,000,000 Seals, or only one for every man, woman and child in the United States. This will mean $1,000,000 for the anti-tuberculosis campaign in the United States

BRYAN AGAINST OWNERSHIP BY THE GOVERNMENT

Gives Newlands Committee His Views on Railroad Control.

COMPETITION PREFERABLE.

Federal Regulation Should Not Be Allowed to Exclude Exercise of State Authority, He Contends—Thinks Railroad Stocks Should Represent Actual Value and Be Stable as Government Bonds.

Washington, Dec. 11.—William J. Bryan, who startled the country ten years ago by advocating government ownership of railroads, appeared before the Newlands Joint Committee on Interstate Commerce last week in support of the claim that the states should be allowed to retain authority over the regulation of all transportation lines within their borders. Mr. Bryan explained that he had long regarded government ownership as inevitable, but only because of railroad opposition to effective regulation.

Against Government Ownership.

"Personally I cannot say that I desire government ownership," he explained, "because I lean to the individual idea rather than to the collective idea; that is, I believe that government ownership is desirable only where competition is impossible."

Alfred P. Thom, counsel to the Railway Executives' Advisory Committee, previously had presented before the members of the Newlands Committee as one of his reasons for urging a better balanced and more systematic regulation of railroads the argument that this is the only alternative to government ownership. Calling attention to the restrictions imposed upon the transportation lines by conflicting state laws and regulations, to the practical cessation of new construction and to the impossibility under existing conditions of securing the new capital needed for extensions and betterments of railway facilities, he warned the Congressmen that unless they provided a fair and reasonable system of regulation that would enable the railroads to meet the growing needs of the country's business the national government would be compelled to take over the ownership of the lines with all the evils attendant upon such a system.

Preservation of Competition.

Mr. Bryan, on the other hand, holds that the further extension of federal authority over the railroads would be a step in the direction of government ownership. He advanced the view that the centralization of control in the hands of the national government would impose too great a burden upon the regulating body, would offer strong temptation to railroads to interfere in politics and would encourage the general movement toward centralization of power in the federal government at the expense of the states. He said that he did not object to consolidations of railroad lines so long as they did not destroy competition, that he knew of no complaint against great railway systems because of their size and that he believed that the preservation of competition was the test to be applied to all consolidations.

Regulation of Securities.

Mr. Bryan declared himself in favor of national regulation of railway stock and bond issues, but added that he saw no reason why that should exclude the states from acting on the same subject as to state corporations. "I would like to see the stock of a railroad, as long as it is in private hands, made as substantial and as unvarying as the value of a government bond," he asserted.

He suggested that railroad capitalization be readjusted to equalize it with actual valuation of the property represented, making due allowance for equities, and that when this was done the roads should be allowed to earn sufficient income to keep their stock at par and to create a surplus. The latter, he tentatively proposed, might be allowed to amount to 25 per cent of the capital.

Railway Earnings Low.

This subject of railroad capitalization and the amount of railroad earnings received further attention from the committee during its recent sessions. In answer to questions by Senator Cummins, Mr. Thom submitted figures showing the net earnings of the roads in recent years. These figures show that during the five years from 1905 to 1910 the average net earnings were 5.25 per cent of the net capitalization, while for the five years from 1910 to 1915 the average was only 4.56 per cent. The total earnings on the stock, computed by adding to the net operating income the income from the securities owned and deducting bond interest, were for 1910, 7.09 per cent; for 1911, 6.17 per cent; for 1912, 4.97 per cent; for 1913, 5.94 per cent; for 1914, 4.06 per cent; for 1915, 3.44 per cent, thus showing an almost continuous decrease throughout this six year period. It was announced that Halford Erickson, formerly chairman of the Wisconsin Railroad Commission, would submit more complete information on this subject to the Committee at a later date.

SCHOOL BOND ELECTION NOTICE

Submitting to the electors of the Belmont School District of San Mateo County, State of California, the question whether the bonds of such school district shall be issued and sold

Notice is hereby given to the qualified electors of Belmont School District, of the county of San Mateo, State of California, that in accordance with the provisions of the Political Code of the State of California, an election will be held on the

23rd day of JANUARY, 1917,

at the building known as the School House, El Camino Real, Belmont, in this school district, between the hours of eight o'clock a. m. and six o'clock p. m. of said day, during which period and between which hours the polls shall remain open continuously, at which election the question of issuing and selling bonds of said district to the amount of Eighteen Thousand ($18,000) Dollars for the purpose of raising money for

Purchasing one school lot,
Building one school building,
Supplying school building with furniture and necessary apparatus,
Insuring school building, and

SUMMONS

In the Superior Court of the State of California, in and for the County of San Mateo.

Angelo Cassinelli, plaintiff, vs. Alex Peers, John F. Johnston, as administrator of the estate of James Johnston, deceased, John F. Johnston, as administrator of the estate of Francis T. Johnston, deceased, Adolfo Miramontes, Jose De Los Santos Miramontes, Dolores Stanislaus Miramontes, Carmel Gonzales, also known as Carmel Gonzales Miramontes, Ramona Rivera Miramontes, Ramundo Miramontes, also sometimes known as Ramoundo Miramontes, William Johnston, Charles A. Bailey, E. J. Loughery, Minnie Loughery, Celestine Montevaldo, John J. Montevaldo, First Doe, Second Doe, Third Doe, Fourth Doe, Fifth Doe, Sixth Doe, Seventh Doe, Eighth Doe, Ninth Doe, and Tenth Doe, and also all other persons unknown claiming any right, title, estate lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

No. 6094. Action brought in the Superior Court of the State of California, in and for the County of San Mateo, and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court. Kirkbride & Gordon, Attorneys for Plaintiff.

The People of the State of California send greeting to:

Alex Peers, John F. Johnston, as administrator of the estate of James Johnston, deceased, John F. Johnston, as administrator of the estate of Francis T. Johnston, deceased, Adolfo Miramontes, Jose de Los Santos Miramontes, Dolores Stanislaus Miramontes, Carmel Gonzales, also known as Carmel Gonzales Miramontes, Ramona Rivera Miramontes, Ramundo Miramontes, also sometimes known as Ramoundo Miramontes, William Johnston, Charles A. Bailey, E. J. Loughery, Minnie Loughery, Celestine Montevaldo, John J. Montevaldo, First Doe, Second Doe, Third Doe, Fourth Doe, Fifth Doe, Sixth Doe, Seventh Doe, Eighth Doe, Ninth Doe, and Tenth Doe and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten (10) days (exclusive of the day of service) after the service on you of this summons, if served within said county; if served elsewhere, within thirty (30) days.

The object of this action is to require the above named defendants and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to the plaintiff's ownership or any claim upon plaintiff's title thereto, and each of them to set forth the nature of their claim or claims to the real property in said complaint and hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that plaintiff's title to the whole of said land be quieted as against each of said defendants and against such unknown claimant or claimants and each of them and to obtain such other and further relief as the court may consider meet and proper in the premises.

The real property which is the subject of this action, and is described in said complaint, is situated in the Fourth Township of the County of San Mateo, State of California, and is more particularly described as follows, towit:

(a) Lots numbered One (1), Two (2), Three (3), Four (4), Five (5), Six (6), Seven (7), Eight (8), Twenty-nine (29), Thirty (30), Thirty-one (31), Thirty-two (32), Thirty-three (33), Thirty-four (34), and Thirty-five (35), of the Johnston Ranch according to and as the said lots are shown and delineated upon that certain map entitled "Map of the Johnston Ranch, San Mateo Co., surveyed by J. J. Cloud, Co. Surveyor, April 1879," and which said map was filed for record and recorded in the office of the County Recorder of said County of San Mateo, on the 25th day of January, 1883, and recorded therein in Book 2 of Maps at page 4, to which said map and said record thereof reference is hereby made and the same part hereof for greater certainty. Containing Four hundred twenty and 37-100 (420.37) acres of land,

(b) And also the following described lot or parcel of land lying contiguous to the said Lot numbered One (1) above described on the northerly side thereof and particularly bounded and described as follows, to-wit:

Commencing at the northeasterly corner of a certain tract of land bought from Guadalupe Briones Miramontes et al by James Johnston by deed dated May 9th, 1853, and recorded in the office of the County Recorder of said County of San Mateo in Volume one (1) of Deeds at Page 102, San Mateo County Records; and running thence North 0° 15' East 4.04 chains to a point on the northerly bank of the Arroyo Leon; thence on and along said Northerly bank of said Arroyo Leon South 51 degrees 45 minutes East 4.34 chains; South 81 degrees East 2.77 chains; thence across said Arroyo Leon South 81 degrees 30 minutes West 6.23 chains to the point of beginning. Containing one acre of land and being a portion of a certain tract of land conveyed to James Johnston by deed dated April 13, 1857, and recorded in the office of the said County Recorder on the 15th day of June, 1857 in Volume one of Deeds at Page 165, San Mateo County Records.

(c) And also the following described lot or parcel of land lying contiguous to the last described parcel on the westerly side thereof and particularly bounded and described as follows, to-wit:

Commencing at the southeasterly corner of the One (1) acre tract of land described in the certain deed from Ignacio Miramontes to James Johnston dated January 12, 1867, and recorded in Volume 6 of Deeds at page 175 San Mateo County Records, said point being also the Northeasterly corner of the certain tract of land conveyed to James Johnston by deed recorded in Volume One (1) of Deeds at Page 162, San Mateo County Records, above mentioned and described; thence along the southerly boundary of said first mentioned tract South 80 degrees 45 minutes West 3.16 chains to the southwesterly corner thereof; thence north 5 degrees 38 minutes west 3.55 chains to a point in the center of the Arroyo Leon; thence north 73 degrees 45 minutes east 3.65 chains to a point on the northerly bank of the Arroyo Leon thence across said Arroyo Leon south 0 degrees 15 minutes west 4.04 chains to the place of beginning. Containing one and 27-100 acres of land.

And you are hereby notified that unless you appear and answer as above required said plaintiff will demand judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the court for any other relief demanded in the complaint.

Given under my hand and the seal of the Superior Court of the State of California, in and for the County of San Mateo, this 12th day of July, 1916.
